Come and join us for a wonderful day of painting with two of Victoria and Australia's best artists.

Peter Smales. Peter is a Member of the Melbourne Twenty Painters and has just completed a successful Exhibition at Jenny Pihan's Fine Art Gallery at Hampton and will be doing a demonstration in April for the Society.

John Orlando Birt: John has demonstrated for the Society over the last couple of years and has again just held a very successful Exhibition at Jenny Pihan's Fine Art Gallery too. John will be off to Italy again in April, so catch him at the Workshop while you can.

The aim of the workshops will be to extend your knowledge of the medium – a challenging and fun experience to remember.

Places are limited, so early bookings are recommended. Both workshops opened to **Members only at this stage.**

A deposit of \$20 will secure a place in each of these Workshops. Balance due by no later than Friday 3 February 2012 for Peter Smales and for John Orlando Birt, it will be Sunday 19 February 2012. No cancellations/refunds after these dates.
